

The background of the image features dark silhouettes of hands holding chess pieces. One hand is positioned at the top left, holding a white chess piece. Another hand is at the bottom left, holding a black chess piece. A third hand is at the bottom right, holding a black chess piece. The overall scene is set against a dark, gradient background.

BREWTONMOS

Where Strategy Meets Expertise.

Marketing | Design | Web | Public Relations | Communications

Strategic Marketing

Creative. Competitive. Unconventional.

Business is a highly competitive game. To compete, it takes skill, preparation, and a well-crafted strategy. At BrewtonMos, we leverage our expertise to help you improve your game by enhancing your corporate presence, increasing your visibility in the marketplace, and implementing marketing strategies that grow your business.

Regardless of your company size, BrewtonMos will guide you through a process to achieve your marketing goals. Our strategic marketing team will help you define your company's brand, position your products and services, and show you how to set your company apart from competitors.

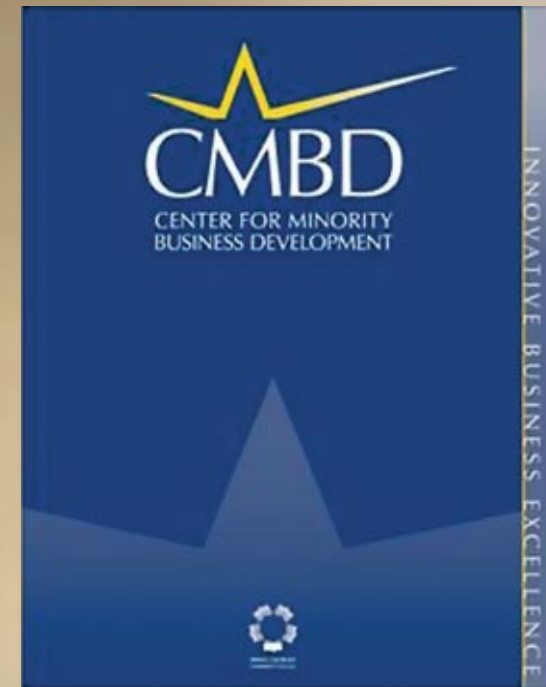

To help you compete in the marketplace, we offer the following services:

- Branding
- Advertising
- Marketing Plans
- Market Research
- Direct Marketing
- Online Marketing Strategies

Design

Unique. Provocative. Attention-Grabbing.

To make a lasting first impression, your marketing collateral and web presence must be bold, provocative, and spark emotion among your target audience. The BrewtonMos design team will capture the very essence of your brand in ways that generate interest and draw prospects to your products and services.

Our design process is comprehensive and includes:

- Industry Research
- Creative Consultation
- Client Collaboration

We employ a highly collaborative creative process to deliver the following services:

- Web Design
- Logo Design
- Graphic Design
- Interactive Design
- Tradeshow Design
- Integrated Corporate Identity

Web Development

Strategic. Customized. Content-Rich.

At BrewtonMos, we believe that websites should do more than just look good. We develop strategic web sites that reflect our clients' unique brand, advance their marketing goals, and support their company's mission critical functions. Moreover, we build content-rich sites that are in sync with our clients' business model.

Our talented web team possesses the capabilities to build a broad range of features and functionalities into your web site, including:

- E-Commerce
- Flash Animation
- Custom Databases
- E-Marketing Capabilities
- Dynamic Event Calendars
- Customized Feedback Forms
- Advance Content Delivery Features
- Secure Code and Security Protocol
- Content Management Systems
- Social Media and Online Networking Features, and More

Public Relations

Results-Oriented. Multifaceted. Proactive.

BrewtonMos is the go-to firm for public relations strategies that get results! Our team of topnotch PR professionals will collaborate with you to strategize, plan and execute a campaign that accomplishes your public relations goals.

We tackle the tough issues and have helped some of the most embattled organizations improve their public image. With the help of our diverse team, our clients are able to breakdown barriers, build unconventional relationships, and lessen the impact of negative issues.

BrewtonMos can help you launch a successful public relations campaign by performing the following services:

- Messaging
- Media Relations
- Community Outreach
- Corporate Social Marketing
- Special Event Management

Building Relationships with Oklahoma's Tribal Communities

In 2009, the Community Financial Services Association of America (CFSA) retained BrewtonMos (formerly *StrateComm, LLC*) to expand its community outreach efforts to tribal communities in Oklahoma's Native American Indian Country. This community outreach and financial education initiative proved highly successful and was an important first step in CFSA's effort to build a positive relationship with tribal nations.
